Why We Pray

Prayer is both fellowship with God and spiritual warfare. Jesus often prayed before major decisions and taught His disciples to persist in prayer.

A Simple Prayer Pattern

1. **Praise** — Worship God for who He is.
2. **Thanksgiving** — Thank Him for salvation, provision and mercy.
3. **Confession** — Ask forgiveness and receive cleansing.
4. **Petition** — Bring personal needs before God.
5. **Intercession** — Pray for family, church, leaders, nations, the sick and the lost.
6. **Listening** — Pause and ask the Holy Spirit to guide you through Scripture.
