New Believer's Growth Guide

First steps of a life with Christ

Welcome to the family of God. Your decision to follow Jesus is the most important decision you will ever make.

1. Begin with Prayer

Pray simply and honestly each day. Thank God, worship Him, confess sin, bring your requests, and pray for others. Use the Lord's Prayer as a pattern in Matthew 6:9–13.

2. Read the Bible Daily

Start with the Gospel of John, then Romans, Psalms and Proverbs. Ask: - What does this teach me about God? - What does it teach about people and sin? - What promise or command should I obey? - Who can I share this with?

3. Join a Church Family

Faith is personal but not private. Attend worship, join a small group, serve on a team and build accountable relationships.

4. Practice Obedience

Be baptized, obey Jesus' teachings, forgive others, control your speech, honor God with your finances and live with integrity.

5. Share Your Story

Write a short testimony: what your life was like before Christ, how you met Jesus, and what He is doing now.

6. Serve

Every believer has gifts. Ask God where He wants you to serve. Faithful service in small things prepares you for greater responsibility.

7. Depend on the Holy Spirit

Ask the Holy Spirit to guide, strengthen and produce His fruit in you: love, joy, peace, patience, kindness, goodness, faithfulness, gentleness and self-control.

“He hath done all things well.” — Mark 7:37
